## POLICY & LAWS

### How policies can shape MII

**MINT** | New Delhi

Since Prime Minister Narendra Modi first laid out his vision of Make in India from the ramparts of the Red Fort in his Independence Day speech in 2014, the initiative to create millions of jobs by transforming the country into a manufacturing hub has gathered momentum and attracted a lot of attention both within and outside the country. Though whether the initiative is a campaign or a scheme remains open to debate...
